

# TRACK SPONSORSHIP

## Track Sponsor - \$5,000

The Track Sponsorship offers your company the opportunity to position itself in the heart of the activity at ELECTRIC POWER 2012. This sponsorship will enhance your company's visibility dramatically at ELECTRIC POWER 2012 and position you in-front of true decision makers.

### **TRACK SPONSORSHIP INCLUDES: Per Track Selected**

- Literature in rooms for all three day of the conference
- Power Point presentations in-between sessions
- Signage in your Track conference area for all 3 days
- Logo on the ELECTRIC POWER web site
- Promotion in the Official Show Guide – In selected Track area
- Two Complimentary Registrations to the ELECTRIC POWER 2012 Conference

This very targeted sponsorship is limited to one Sponsor per track; so don't hesitate to reserve your day in the spotlight at ELECTRIC POWER 2012.

- Track 1: Coal and Solid Fuel Power Plants
- Track 2: Gas Turbine/Combined-Cycle Power Plants
- Track 3: Nuclear Energy
- Track 4: Renewable Energy
- Track 5: Plant Operations/Plant Maintenance
- Track 6: Plant Maintenance
- Track 7: Environmental Strategy and Compliance Technologies
- Track 8: Carbon Management and Mitigation
