

GRAND SPONSORSHIP

Cost \$7,500

The Combined Cycle User Group has been co-located with the ELECTRIC POWER Conference since 2005. It addresses issues concerning the interaction between all major components of the combined cycle power plant – the gas turbine, HRSG and the steam turbine. These issues are critical at the time when many plants must operate on razor thin margins and in modes for which they were not designed. The Combined Cycle Users Group is developing a database of power plants, a library of articles and a chat room where members can exchange experiences. This Combined Cycle User Group Sponsorship offers your company exposure at the center of this activity.

GRAND SPONSORSHIP INCLUDES:

- ▶ Your company logo on the Speaker Podium
- ▶ Your company logo on a Special Grand Sponsor Banner, displayed at the CCUG Meeting at ELECTRIC POWER
- ▶ Promotion in show guide, CCUG Section
- ▶ Your company logo on all signage at CCUG Conference Sessions
- ▶ Promotion in the CCUG Conference Program
- ▶ CCUG Give-Away item will have your company logo on it for CCUG attendees
- ▶ Recognized as sponsor on the CCUG Website
- ▶ Your company will be the only one to receive the CCUG Pre-Reg list, prior to the CCUG Meeting
- ▶ Your company will receive 3 Full Conference Passes to the ELECTRIC POWER Conference and to the CCUG Annual Meeting

 Contact Christy Coleman at 713-343-1873 for more information.

COFFEE BREAK SPONSORSHIP

Cost \$5,000

The Combined Cycle User Group has been co-located with the ELECTRIC POWER Conference since 2005. It addresses issues concerning the interaction between all major components of the combined cycle power plant – the gas turbine, HRSG and the steam turbine. These issues are critical at the time when many plants must operate on razor thin margins and in modes for which they were not designed. The Combined Cycle Users Group is developing a database of power plants, a library of articles and a chat room where members can exchange experiences. This Combined Cycle User Group Sponsorship offers your company exposure at the center of this activity.

COFFEE BREAK SPONSORSHIP INCLUDES:

- ▶ Promotion in show guide, CCUG section
- ▶ Custom signage at CCUG Conference Sessions
- ▶ Promotion in the CCUG Conference Program section
- ▶ Your Company Logo included with companies show guide listing
- ▶ Recognized as sponsor on CCUG Website
- ▶ An area for up to 4 of your staff to interact with the CCUG delegates during morning and afternoon coffee breaks – all days of the conference

This very targeted sponsorship is limited to one vendor; so don't hesitate to reserve your day in the spotlight at the Combined Cycle User Group Conference.

 Contact Christy Coleman at 713-343-1873 for more information.

DAILY PRIZE SPONSORSHIP (One per Day)

Cost \$2,000

The Combined Cycle User Group has been co-located with the ELECTRIC POWER Conference since 2005. It addresses issues concerning the interaction between all major components of the combined cycle power plant – the gas turbine, HRSG and the steam turbine. These issues are critical at the time when many plants must operate on razor thin margins and in modes for which they were not designed. The Combined Cycle Users Group is developing a database of power plants, a library of articles and a chat room where members can exchange experiences. This Combined Cycle User Group Sponsorship offers your company exposure at the center of this activity.

How it works:

Your company will choose a prize of \$200.00 value or greater (subject to show management approval). ELECTRIC POWER will promote the giveaway on show site, in delegate reminders, and in the CCUG conference area. Delegates will visit your booth to enter and the winner will be drawn by your company personnel at your booth during that evening's ELECTRIC POWER reception on the show floor.

GIVEAWAY SPONSORSHIP INCLUDES:

- ▶ Promotion in show guide in the CCUG section
- ▶ Promotion in CCUG delegate reminders
- ▶ Custom Signage in the CCUG Conference Session, for your day, and at your booth
- ▶ Your company logo included with your companies show guide listing

This very targeted sponsorship is limited to one vendor per day; so don't hesitate to reserve your day in the spotlight at the CCUG Annual Meeting 2011.

 Contact Christy Coleman at 713-343-1873 for more information.

CONFERENCE NOTES SPONSORSHIP (EXCLUSIVE)

Cost \$2,500

The Combined Cycle User Group has been co-located with the ELECTRIC POWER Conference since 2005. It addresses issues concerning the interaction between all major components of the combined cycle power plant – the gas turbine, HRSG and the steam turbine. These issues are critical at the time when many plants must operate on razor thin margins and in modes for which they were not designed. The Combined Cycle Users Group is developing a database of power plants, a library of articles and a chat room where members can exchange experiences. This Combined Cycle User Group Sponsorship offers your company exposure at the center of this activity.

CONFERENCE NOTES SPONSORSHIP INCLUDES:

- ▶ Pencils and Notepad with your company Logo will be placed on all meeting room tables for use by delegates each day.
- ▶ Logo Placement during Power Point presentations in-between CCUG sessions
- ▶ Logo On CCUG website
- ▶ Logo in show guide in the CCUG section

This very targeted sponsorship is limited to one vendor; so don't hesitate to reserve your day in the spotlight at the CCUG Annual Meeting.

CCUG ANNUAL SPONSOR INFORMATION

As you know, the Combined Cycle User Group is a GREAT user group and being a sponsor allows you to get your message in front of this group, all year long.

- ▶ As a sponsor, you will get your logo published in all of the CCUG brochures created as well as your logo will be placed on the CCUG site, with a link from the CCUG site to your site. Your logo will also be displayed on the banner in the CCUG meeting room at the ELECTRIC POWER meeting as well as in the Show Guide.
- ▶ Also – as a Genco Sponsor – you will receive one free Conference Pass to ELECTRIC POWER and one free upgrade to allow someone from your company to attend the CCUG meeting that meets during the ELECTRIC POWER Conference. (Total value \$500)
- ▶ Also as a Genco Sponsor – ALL of the members of your company have unlimited access to the web site, at no additional charge.

I am attaching the Sponsorship form for your review and consideration. Please contact me with any questions or to discuss the sponsorship further.

I look forward to working with you this year toward another successful year of the Combined Cycle User Group and the ELECTRIC POWER Conference and Show!

 Contact Christy Coleman at 713-343-1873 for more information.

MEMBERSHIP / SPONSORSHIP APPLICATION

FAX: 832.242.1971

- I hereby apply for a complimentary trial membership to the Combined Cycle Users' Group
- As an owner, operator or developer of combined cycle or cogeneration facilities, we agree to support the activities of the Combined Cycle Users Group through a Genco Sponsorship. Although there is no charge for this activity, we undertake to work with the board to identify areas of concern to the industry – technical, business and operating considerations – and help develop solutions.
- As a vendor to the combined cycle/cogeneration industry, we wish to enroll as a Vendor Sponsor to the Combined Cycle Users Group for an annual fee of \$1000. Our logo will be displayed prominently on the website, on signage during the annual meeting and in promotional print material produced by the user group.

All funds raised by the Combined Cycle Users' Group will be used to cover the administrative and development costs incurred by the group.

**The Combined Cycle Users' Group Annual Meeting will be held from May 10-12, 2011
co-located with the ELECTRIC POWER 2011 Conference and Exhibition**
